2) Why do you believe that PVC's form of church government is faithful to Scripture? What are some reasons that practicing Biblical eldership contributes to our congregational health?

3) What is the main question we should ask in prayerfully nominating men to serve as elders at PVC?

4) The qualifications given in 1 Timothy 3:1-7 and Titus 1:6-9 are expected of every Christian. So, why are these the qualifications given specifically for elders? Why is the character of an elder more important than their giftings and abilities?

5) Spend time praying for our current elders along with the process ahead of us in identifying, recommending and affirming new elders at PVC.
